TO WHOM IT MAY CONCERN

This letter is to confirm that Sonerg Montaj SRL is a distributor of REGUPOL BSW GmbH and therefore allowed to promote and install our complete line of REGUPOL shooting range systems.

The special PU-system itself has to be applied by a REGUPOL BSW-technician as a supervisor.

We further certify that all our REGUPOL shooting range systems for indoor and outdoor applications are of German origin.

Best regards

REGUPOL BSW GmbH
